Leading your Church into Growth Course for Urban Estate Churches

The challenges of leading a church into growth on our urban estates are especially acute - confident Christian presence in such communities is vital.

This course will be tailored to the needs of lay and ordained leaders from urban estates churches and will be led by people with experience of this ministry.

Revd Canon Robin Gamble
Vicar of Holy Trinity, Idle, Bradford and
Leading your Church into Growth's founder.

Bishop Philip North
Bishop of Burnley, and previously Team
Rector of the Parish of Old St Pancras.

Revd Canon David Banbury
Diocesan Missioner in Blackburn and Leader
of the Parish Mission Support Department.

£299 per delegate

Including accommodation,
all meals and a course
manual.

Clergy can often find this cost from their CME budget. However, since the course is most effective when clergy bring 1 or 2 lay leaders, we'll discount £50 if you send both a lay and ordained leader. We have limited funds, so we hope that dioceses will also subsidise costs for lay attendees.
